## AshBritt Environmental Presented With APWA's Award Of Excellence

### *AshBritt Receives "Award of Excellence" for continued support and partnership with the APWA*

POMPANO BEACH, FLA. (December 16, 2009) – AshBritt Environmental has announced that it has won the 2009 "Award of Excellence" from the South Florida Chapter of the American Public Works Association (APWA-SFL). The "Award of Excellence" was presented to AshBritt Regional Marketing Manager, Tim Mooney, by APWA-SFL board member, Mark Collins, on November 19, 2009.

The annual distinction is given by the APWA-SFL to recognize outstanding businesses within the government sector, specifically public works, for their continued support and partnership with the South Florida Chapter for the APWA.

"AshBritt Environmental is a firm that goes above and beyond in its commitment to excellence," says Brad Kaine, chairman of the South Florida Chapter of the American Public Works Association. "It's affiliation with APWA has been a key to so many successful events and meetings over the past five years."

"All of us at AshBritt Environmental are honored to be recognized by the South Florida Chapter of the American Public Works Association," says Tim Mooney, Regional Marketing Manager of AshBritt. "Winning the Award of Excellence motivates our team to continue to work hard for our South Florida neighbors and friends throughout Florida."

#### **About AshBritt Environmental:**

AshBritt Environmental is a leading provider of disaster recovery management and environmental services to cities, counties and states faced with natural and man-made disasters. Highly trained, licensed personnel provide the safest and fastest emergency response available in a wide range of disciplines including disaster recovery, engineering, solid waste and special environmental services. AshBritt Environmental was honored by the APWA (American Public Works Association) in November 2009 with the "Award of Excellence" for their continued support and partnership with the professional organization.
