AshBritt Environmental, Inc. Hires New Regional & Government Relations Manager

POMPANO BEACH, FLA (January 6, 2010) – AshBritt Environmental, Inc., Florida based environmental recovery services company, has announced they have hired new regional & government relations manager, Michael Wyrick, to join the AshBritt team. Wyrick will work from the new regional office in Charlotte, NC and serve as the point of contact for all clients within the coastal states of North Carolina, Virginia, Maryland, Delaware and Connecticut.

Prior to his new position at AshBritt Environmental, Wyrick has several years of experience in government relations at the local, state, federal and foreign levels. Wyrick worked in AOL's Public Policy Office in Washington, D.C., and served as an aide to former U.S. Senator David Pryor. Additionally, he served as Legislative Assistant to former congressional appropriator U.S. Rep. Jay Dickey, where he helped to secure appropriations funding for the US Army Corp of Engineers projects such as Montgomery Point Lock and Dam and Red River levy protection in the State of Arkansas. He later joined the Washington DC firm of U.S. Strategies Corporation as a Legislative Consultant.

Michael has lived in and/or traveled extensively throughout 35 countries in Europe, the Middle East, North Africa and the South Pacific. Michael began his international work at the age of 18 when he joined and later led an MIA search mission sponsored by the American Red Cross to recover the remains of World War II pilots lost on the islands of the South Pacific. Prior to joining AshBritt, Michael helped to establish a construction company in the Persian Gulf nation of Qatar, for which he directed business development efforts.

Michael received his BA in History from the University of Arkansas at Fayetteville.
